776 MARINE AND OUTDOOR ADHESIVE

THREE YEAR LIMITED WARRANTY

Slocum Adhesives Corporation is happy to warrant our Tennessee Adhesive's 776 against break down or loss of cohesive strength due to a manufacturing or formulation defect for a period of 3 years from date of installation.

We can offer this warranty because of confidence in our proven, quality products, and our performance and manufacturing standards.

If adhesive break down or a cohesive strength loss due to a manufacturing or formulation defect occurs and we are notified within the 3 year warranty period, we will pay material costs to either repair or replace (at our option) areas where Tennessee Adhesives product is proven to be the issue.

This warranty only applies if the Tennessee Adhesive products are used for their stated purpose and were applied in accordance with Tennessee Adhesive's application instructions. Any products used in the installation must be compatible with Tennessee Adhesive products.

Not covered by this warranty are improper and/or defective installations of the flooring, sub floor irregularities, bottom up staining due to mold, mildew or bacterial growth. Installations where excessive moisture and/or alkali are present and/or improper maintenance is evident are not covered. Slocum Adhesives is not responsible for warranties and/or performance guarantees for the actual flooring material, floor underlayment and floor substrates as those rest with the manufacturer of those products, not Slocum Adhesives.

Consequential or incidental damages are not covered under this warranty. Meaning loss, expense or damages other than to the Tennessee Adhesives products themselves. No implied warranties, including merchantability and fitness for a particular purpose, extending beyond the term of this written warranty are included.
